

REGISTRATION IS NOW OPEN!!

Please use the www.teladoc.com portal

Select NEW TO TELADOC, set up account

Enter First and Last Name as it appears on your insurance card Provide email address and phone number

Select - No, I don't know my user name

Select - My insurance provider offers me access to Teladoc

Enter Company Name:

Begin typing Public Education, and arrow key down to Public Education Health Trust. (do not try to type it all out, you must scroll down and select the company name) Or can also type PEH, then scroll down and select PEHT

Hitting enter, the system will verify your first and last name, date of birth, within the Public Education Health Trust database.

This will initiate your file. The next screen will verify mailing address and request basic medical/medication and primary care physicians contact info if you have one.

WHEN CAN I USE TELADOC?

Teladoc does not replace your primary care physician. It is a convenient and affordable option for quality care.

- When you need care now
- If you're considering the ER or urgent care center for a non-emergency issue
- On vacation, on a business trip, or away from home
- For short-term prescription refills

GET THE CARE YOU NEED

Teladoc doctors can treat many medical conditions, including:

- Cold & flu symptoms
- Allergies
- Bronchitis
- Urinary tract infection
- Respiratory infection
- Sinus problems
- And more!

MEET OUR DOCTORS

Teladoc is simply a new way to access qualified doctors. All Teladoc doctors:

- Are practicing PCPs, pediatricians, and family medicine physicians
- Average 15 years experience
- Are U.S. board-certified and licensed in your state
- Are credentialed every three years, meeting NCQA standards

With your consent, Teladoc is happy to provide information about your Teladoc consult to your primary care physician.

REGISTRATION is Now Open!!

Access to Teladoc providers begins January 1, 2016

Imagine this...

You wake up one morning with cold-like symptoms. You don't want to take time off from work, but you need care now. **What can you do?**

1

You consider urgent care, but don't want to spend the time and money.

2

Then you call Teladoc®.

3

The Teladoc doctor calls you back about your symptoms.

4

Turns out you have sinus problems.

5

You pick up an antibiotic at your local pharmacy on your way to work.

6

**Problem solved.
Boss happy.**

What is Teladoc? Teladoc provides a national network of U.S. board-certified doctors available 24/7/365 to resolve many of your medical issues. It's quality care when you need it at a price you can afford.

Teladoc

24/7/365 medical coverage for you and your dependents

You and your eligible dependents can talk to a U.S. board-certified doctor anytime, anywhere, by phone or video. Teladoc® doctors can treat many of your medical conditions. **Give your family access to Teladoc.**

1 Set up your account (PRIMARY MEMBER)

Visit the website and click "Set up account". Follow the online instructions to provide the necessary information and to complete your medical history.

2 Set up minor dependents (17 OR YOUNGER)

Log into your account and click "My Family" from the top menu. Follow the online instructions to provide the necessary information and complete your dependent medical history.

3 Set up adult dependents (18 OR OLDER)

Adult dependents set up their own account by visiting the website and clicking "Set up account". They should follow the online instructions to provide the necessary information and to complete their medical history.

4 Request a consult

Once your account is set up, request a consult anytime and anywhere you need care. With your consent, Teladoc is happy to provide information about your Teladoc consult to your primary care physician.

Do I have a username?

When setting up your account online, you will be asked for a username. Your username can be found on your Teladoc membership card. If you do not have a membership card or you do not know your username, simply select "No" and complete the information requested.
