Schedule Your reventive Screenings

Providence: Care Vhen You Need It

Open Enrollment Is Here: May 5 - 30, 2025

Now's the time to make decisions about the health plan coverage offered by your association/employer. Follow the applicable steps below. Visit **pehtak.com** for more information.

Submission Options

Use **miBenefits.EBMS.com** or fax paper forms (request from the Trust) and documents to the Trust at 907-222-2556.

- You're enrolled in a plan and want to change your selection: Submit online or paper enrollment forms **no later than** May 30, 2025.
- You previously waived plan coverage and want to enroll: Submit online or paper enrollment forms, along with the required documents, no later than May 30, 2025.
- You're enrolled in a plan and want to waive coverage: Submit your online or paper waiver **no later than May 30, 2025.**

Dependents Enrollment

While completing enrollment, list the dependents for whom you want to provide coverage.

- They're already enrolled: You don't have to provide additional documentation. But you must include their names on your enrollment submission to confirm that you want to continue their coverage.
- You want to add dependents who aren't enrolled: You must include eligibility verification, such as a marriage or birth certificate. Contact the Trust at 907-274-7526 or info@pehtak.com for verification options.

Health Plan Questions?

EBMS, your expert claims administrator, can help you find providers and answer benefits and billing questions. Just call the member number on your Benefits ID card (866-247-1443).

Questions about your health plan benefits? EBMS is here to help. 866-247-1443 | M - F: 6:00 a.m. - 6:00 p.m. AKST

Schedule Your Preventive Screenings

Your health is your most valuable asset. Don't wait until something feels wrong to act. Preventive screenings are powerful tools that help you stay ahead of potential health issues, giving you peace of mind and the opportunity to live life to the fullest.

Examples of preventive screenings include mammograms, colorectal cancer screening and cholesterol tests. By taking a proactive approach, you're not just investing in your well-being today but helping protect your future. Prioritize yourself by scheduling your screenings. Ask your primary care provider which ones you need.

Earn points for prevention activities on Vitality! Upload your proof to earn points, achieve a higher status and get rewards.

Scan the QR code or visit powerofvitality.com. Or download the "Power of Vitality" app.

Smart Tips for Provider Visits

Need to visit a healthcare provider? These three tips can make your experience easier:

- Bring your Benefits ID card to every appointment. Your card has all the plan details you and your provider's office need. You can go to miBenefits.EBMS.com to view your card online, print a copy or order a replacement.
- Ask the staff to call the provider number on your card if they have plan questions. EBMS will quickly explain your benefits coverage.
- If you're asked to pay upfront for care, call the member number on your card (866-247-1443). The only expense you should pay at the time of service is a copay or deductible, if you have one. EBMS will work with the provider to confirm amounts and your benefits.

Reminder: The Use of In-Network Facilities Is Critical!

When in Anchorage and in need of hospital services, it's critical to use your plan-preferred hospital -**Providence Alaska Medical Center.** Choosing to receive hospital services at Alaska Regional Hospital, which is out-of-network, could leave you responsible for hundreds of thousands of dollars in costs.

For a list of preferred and direct contract providers, scan the QR code or go to pehtak.com/preferred-providers.

Options for Care

When you need healthcare, understanding your options can help you make an informed decision.

- **Primary care provider.** Your main, long-term healthcare provider for non-emergency situations. For treatment of common medical conditions, preventive care and chronic condition care. Appointments required.
- **Telehealth.** A convenient, virtual option that includes 24/7 non-emergency care for health issues like flu, eye/ear infections and rashes. Also schedule primary care visits and consults for mental health care. Call Teladoc at 800-835-2362.

- \$\$ In-person urgent care. For non-life-threatening conditions that need care quickly, such as severe scrapes, minor injuries and high fever. Appointments not required, but there may be a wait.
- **Emergency room (ER).** For severe and life-threatening conditions, such as chest pain, head injuries and broken bones. May be a long wait, depending on the emergency.

For a list of preferred and direct contract providers, go to pehtak.com/preferred-providers.
