

Understanding Your Benefits

The Public Education Health Trust wants you to use your benefits! It is important that you familiarize yourself with this information so that you can maximize the use of these benefits to provide the best possible outcome for you and your family's health care needs. It should be noted that this is a summary only and does not guarantee benefits. All benefits are subject to the terms, limitations, and exclusions set forth in the Public Education Health Trust Benefit Booklet. If there are any discrepancies between this summary and the Benefit Booklet, the Benefit Booklet shall prevail.
